

*"Staging spaces to sell, live, entertain..."*

Professional Home Staging & Redesign

**PREFERRED AGENT PROGRAM**

Adding Professional Home Staging to your list of services can not only help you sell your current listings as well as help you gain new ones. These additional services will set apart your client’s home; plus give you the competitive edge and more referrals. We value our Realtor Partnership and we work every day to provide exceptional service to both you and your clients. **To qualify** for our Preferred Agent Program you simply utilize any of our staging services 3 times within a 6 month period of time. You will automatically qualify.

**What you’ll get as a Preferred Agent in our Program:**

- Our entire team working with you to complete staging projects in a timely manner
- 20% discount on Consultations
- \$75 discount is given to your clients who choose our full service vacant staging service (level 5)
- \$50 discount toward our staging fee when your client stages their occupied homes (level 3,4)
- Digital after staging photos provided for MLS and marketing
- Your vacant staged listings will be featured on our website using a real estate show (visual tour) and a link will be provided for your marketing
- Unlimited brochures for your listing packets
- Home Seller’s Guide for your listing packets
- Home Matters logo for your marketing

Before and After: Staging a room automatically warms up the room drawing your eye into the room and offering a “feeling” of a cozy lifestyle. Rooms with the right furniture and accessories feel larger and add value. They simply are more WELCOMING.
